Exciting News -- Weather At Your School Program

On January 2, Channel 8 WMTW is coming to CCS for this exciting program. We will have two assemblies during the school day -- one for grades K-2 and one for grades 3-5 where students will learn more about weather. As an added bonus, the WMTW Weather Team will be broadcasting from CCS that morning and students are invited to help with the early morning bus stop forecasts and be on TV! We are hoping to plan an all-community breakfast -- with some weather activity fun -- from 6-7:30 that morning. If any parents are interested in helping plan this event, please contact Dawn (djones@rsu13.org or 354-2312.) We hope you'll join us!

It's Chilly outside!

Please remind your children to come prepared for outside recess with hats, gloves or mittens, and a warm jacket. Soon they will also need boots and snow pants!
