One Call Text Alerts

RSU 13 uses a "One Call" notification system to alert all parent/guardians about school closings, early dismissals, late starts and other important news about the district. The "One Call" system, along with notifications to the TV channels and local media, will be our only way of making this contact with you. There are several options for you to choose, including email, text, cell and phone at your home or other contact places. Please notify your school if you have updates you want to alert us to, or if you choose to opt out.

If you would like to receive cancelled/delayed school notifications through cell phone texts, please text the word Alert to 22300 from your cell phone. If your cell phone number is not already in our Infinite Campus system, please call the school office to have your number listed. It will take 24 hours for the number to refresh into One Call.
